# SE120

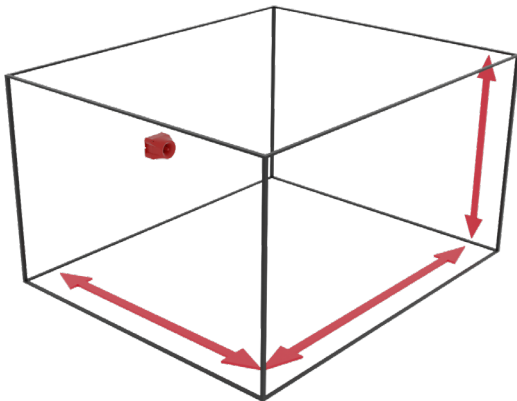

## THE NEW LEVEL OF SOUND POWER

### ENDLESS SOUND POSSIBILITIES

64 integrated sounds up to 120dB  
8 sound levels  
Possibility to upload your customized alerts thanks to the built-in memory

# UP TO 120dB

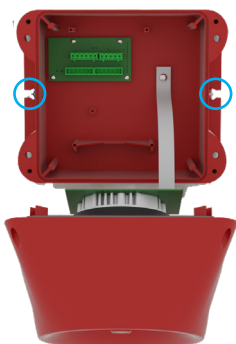

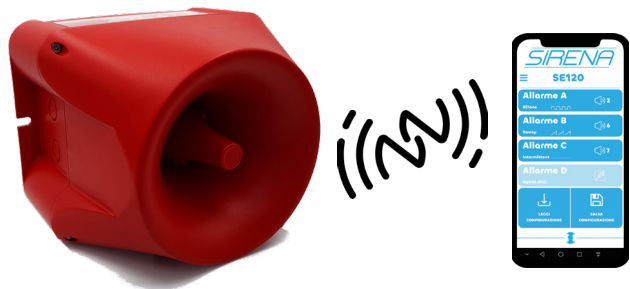

### CONVENIENTLY POWERFUL

One of the highest sound propagation on the market allows the use of less units to cover a wide area

**WITHSTAND THE TOUGHEST WORKING CONDITIONS**  
IP66 | IP69K      -40°C | +60°C

### APP SETUP AND MONITOR VIA NFC

Thanks to the NFC module and the dedicated MySirena App, it's easy to connect, configure and check diagnostics of the SE120

### EASY MOUNTING AND SAFE MAINTENANCE

SE120 mount operation is quick with only two screws to fix.

Maintenance operation is safer thanks to the convenient chain that avoids accidental fall of the removable component.
