

Basic data

Size	OF-OS
Application	Use with BOS 18M...-1R..
Scope of delivery	Optical filter (1x)

Optical data

Mechanical data

Sensing surface material	PVAL, coated
--------------------------	--------------

Housing material	PA6
Active surface	Polarization film for IR
Type	Polarization filter, 2 apert.
Mounting type	Thread M18x1

Remarks

Polarizing filters prevent spurious switching due to reflecting and shiny parts.
