**BT label holder**   

The BT and BTK label holders are used for labelling non-proprietary components and assemblies. The BT and BTK holders are mounted with self-tapping screws. Self-adhesive film is supplied with the BTK version as an installation aid. The transparent cover keeps the inserted label plates clean and free from mechanical load.

-  -40 – 80 °C
-  V0
-  PVC  
BTK: Adhesive 467
-  Single-line and multi-line inscription
-  Use in electrical systems and installations of all kinds
