Spiral tape, type SB/SBF

Spiral tapes are used to bundle cable harnesses efficiently and simply. The spiral tapes also protect the insulation of the wires. Branches of single wires or looms of cables may be made at any place. Bundling in the range from 2 - 100 mm is possible with just three sizes. The SBF consists of flame-retardant material.

Type	Order no.	Colour	Bundle range mm	inside mm	outside mm	Weight kg / 100 m	Pack qty.
SB 12	87621010	Natural colour	2 – 12	1.5	3.0	0.5	50
SB 50	87621012	Natural colour	5 – 50	4.0	6.0	1.5	100
SB 100	87621014	Natural colour	12 – 100	9.0	12.0	4.0	50
SB 50	87621210	yellow	5 – 50	4.0	6.0	1.5	100
SB 100	87621212	yellow	12 – 100	9.0	12.0	4.0	50
SB 50	87621250	orange	5 – 50	4.0	6.0	1.5	100
